Updated Church Directory? The church board was asked at our last meeting if we could create an updated church directory since it has been a few years and we have several new people attending. In order to make this good suggestion a reality, **we need a person willing to oversee the project.** Please let Pastor John or Susan know if you are willing to lead this project.

Are you technically savvy or have ideas how we can better utilize technology to reach others for Christ? The church board also discussed how to improve the social media presence of our church. **Please contact Eric Heeter** if you have ideas or would like to be involved in that discussion that will be brought to the board in more detail in the future.
