*“We can change the course of events if we go to our knees

Church Softball

The co-ed league we play has started. There are six teams in the league which provides good chance to fellowship with other believers. We play on Sunday afternoon/evenings. Please **Let Pastor John know if you are interested in playing.** We will play double headers each time we play and the season will end with a double-elimination tournament.

Would You Help?

A brief survey has been sent to you via email, mail or is available on the back table. The survey is not very long and we would like people of all ages to participate. **We hope you will take a few minutes to respond.** The results will help us evaluate how we are serving as a church during this pandemic and aid in helping us improve and in the planning process of restarting other ministries. **Please have completed surveys returned by Wednesday, June 24th.**

Thinking Outside of the Box

Although we have been unable to have our typical Vacation Bible School this summer, does that mean that we cannot still reach out to area youth with the gospel? Would you be willing to consider ways to do that? Possibly through the idea of a "Backyard Bible School" where kids from the church invite smaller groups of friends over for one day each week for about a month. During that time together, a small team of people from the church would then assist with a bible lesson, craft, games, etc. Please let Pastor John or Pastor Mark your thoughts or if you would be willing to help with something like this.
