

DANIEL 11:36-12:13

By Louis Powell

FIRST FACTS

This is the final chapter of Daniel. Daniel was called by God during serious times in Judah. He was taken from his home and tested many times when others lied about him. He served God's people all his life as God instructed him. He was promoted and became a respectable leader among Gentile Kingdoms. In Ephesians 6, Paul writes about spiritual warfare. Daniel experiences it. Daniel was a praying man and his strength came from this faith in God.

LAST FACTS

Our citizenship is not of this Earth but of Heaven. Daniel bowed his knees but also his heart to God. He walked with his Lord and took a stand against Satan and recognized the battle was in the spirit world not this physical world. Daniel 1:8, at the beginning of his captivity, says, "But Daniel purposed in his heart that he would not defile himself." We should purpose this in our walk with our Lord Jesus. Our first step to true freedom is when we surrender to God's will.

How many times have we prayed Psalm 23, "I shall not want" but followed this sentence with all the physical desires we want? If we discipline ourselves to know and consider God's plan for this world, for the Jews, for the Church, and for each of us individually, then our prayers become more likely to follow God's desire for our life. The Bible and prayer are partners. Christians need a balance of studying God's Word and constantly praying in order to grow in faith.

My favorite number is 173,880 because it is the exact fulfillment of a prophecy given 483 years earlier to Daniel by an angel from God pinpointing the day our Savior Jesus Christ presented Himself as King. God bless us all.
