

DANIEL 10

By Louis Powell

FIRST FACTS

Daniel was concerned for his people and for Jerusalem and prayed and fasted for 3 weeks. God sent Gabriel to Daniel in chapter 9 and God sends another angel to strengthen him and show Daniel future events that will happen. Chapter 10 is the introduction to this prophecy that lasts through the last 2 chapters of Daniel (11, 12). There is a strong spiritual world that remains invisible to most, but a few have seen a glimpse of it. We will review some of these events.

LAST FACTS

Daniel continues his life dedicated to his God. His faith is so strong that it sets a perfect example for us to follow. Daniel prays and fasts when he seeks God. He was visited by several angels sent from God. This displays to us that God loves us and wants us to become closer to Him. Our faith today might not be as strong as Daniel's faith, but we know God loves us and will reward us if we continue to seek Him and trust Him.
