

## **THE BOOK OF COLOSSIANS / The Supremacy of Christ - Week 16**

### **Last Week: Colossians 4:2-6**

When Christ is your life, every aspect of your life is affected—spiritual, congregational, the home, your vocation. Paul identifies three types of speech that are effected when we fully embrace our position in Christ—prayer, gospel proclamation, and witnessing. The call of the Christian is to live prayerfully, act wisely, and speak graciously.
