

THE BOOK OF COLOSSIANS / THE SUPREMACY OF CHRIST – Week 14

Last Week: *Colossians 3:18-21*

The Christian home is the most immediate and important application of the Lordship of Christ. Submission from wives is to be preceded by self-giving, self-sacrificing love from her husband. A child's obedience is encouraged by loving, encouraging parents, who are more concerned with the hearts of their kids than behavior modification. If Christ is not submitted to in the home it will be ruled by its most selfish member.

This Week: *Colossians 3:22-4:1*
