

Signs of Lent: DEAD END

1 Corinthians 15:32b-49

April 6, 2022 – Pastor Eric Van Scharrel

When is a dead end NOT a dead end?

Dead End: a road or passage from which no EXIT is possible.

The image Paul uses is that of a SEED.

Perishable → IMPERISHABLE

Dishonor → GLORY

Weakness → POWER

Natural → SPIRITUAL

The intersection of dead end and NEW LIFE.

“IT IS FINISHED.”

“Scripture does not teach that we will be given a SECOND body, but a NEW body – the same body that we walked around in on earth, only transformed, bearing the likeness of Christ.” -Billy Graham
