

**Part 6 - Dreamers**

*Stephanie Benthin - March 25, 2018*

**HANG OUT (warming up to the topic)**

1. Check in to see how everyone's week was.
2. Now that we have finished this series, what was the most challenging topic looking back? What was the most encouraging? Do you feel like you're closer to finding the truth about you?

**HEAR (listening to God through Scripture)**

3. What was a dream that you had as a child that you've always remembered (it can be an actual dream while sleeping, or a different kind of hopeful-dream)? Why do you think dreams are important?
4. Do you think God has placed a dream in your heart? What is it? Why do you think that dream has been placed in you? How do you know your dream is from God?
5. Stephanie talked about the Joseph story found in the book of **Genesis**. Take some time to familiarize yourself with the story. What is significant about this story? How does God use dreams to bring about his good will?
6. If we want to see our dreams come true, we have to look at them a bit differently. Real dreams that can benefit others are often hard, take time, and make things better. What do you think God's dream is for the city of Visalia?

**HUDDLE (making it personal and praying together)**

7. What do you think God's dream is for you? How can this group help that dream become a reality?
8. End in prayer and ask God to reveal his Dream for our lives.
