

**Part 3 - Time**  
**Darrin Cantrell - January 21, 2017**

**HANG OUT (warming up to the topic)**

1. Check in to see how everyone's week was.

**HEAR (listening to God through Scripture)**

2. Talk about one of the happiest times in your life. What was your schedule like during that period?

3. Think about how you managed your time last year. What would you like to do differently this year?

4. God created us on purpose for his purpose. Is it difficult for you to believe that God created you for a purpose? Why or why not?

5. **Read Psalm 90:10-12.** In what days are you tempted to think of your days as endless? Why is it difficult for us to number our days?

**HUDDLE (making it personal and praying together)**

6. What is one thing you need to remove from your schedule? What are some ways you could better use that time?

7. What is one way you can shift your priorities this week to take advantage of an opportunity to participate with God in the world? How can this group support you?

**MOVING FORWARD**

The question isn't, *what am I here for?* The question is, *who am I here for?* As long as the answer is you, life will be fleeting and full of trouble and sorrow. But embrace the notion that you were made on purpose for God's purpose and it will change everything. God sees your time as your opportunity to participate with him in the world. There's no more meaningful or fulfilling way to pass your time.
