GETTING TO KNOW YOU

1. What is your favorite song ever that you used to sing in church? Is there a current worship song that you really enjoy singing right now? What is it and why?

LOOKING BACK

On Sunday, we began a new series, “Wired: a Life of Worship.”

DIGGING DEEPER

Verses: Psalm 95:1-7

2. What comes to mind when you hear the word “worship”? What images? What ideas? Is it music? Is it a lifestyle?
3. When where and how do you feel closest to God?

TAKING IT HOME

In his message, Dale described 3 different lives of worship:

- 1) **a Life of No Worship of God** – is the mirror of your life pointed at you or at God?
- 2) **a Life of Erroneous Worship** – since sin entered the world, we have worshipped things and people that were never meant to be worshipped
- 3) **a Life of True Worship** – it’s about the attitude of my heart

A life of true worship involves expressing your affection to God, focusing your attention on God, and using your abilities for God.

4. Which is more pleasing to God right now – your public worship or your private worship? Explain.
5. How will you live a life of true worship this week? What can you do to remind yourself to love God, to think about and talk to God, and to use your abilities for his glory more often throughout the day? What does this look like for you in both public as well as in private?
