January 27, 2016

Ask a wise question: Will this choice add to or subtract from my life's purpose?

Will this choice take me further along the path God has for me?

- In light of my past, present, future.

A wise person will not waste wisdom.

The secret of the wise: they know when they don't know.

Let the wise listen and add to their learning, and let the discerning get guidance (wise counsel). Proverbs 1:5

Where there is strife, there is pride, but wisdom is found in those who take advice. Proverbs 13:10

Most of the decisions we make privately and independently, become public knowledge and also judged by them.

Most of the decisions we make affect others.

Genesis 41

Foundational Principles:

- No one is so successful that they no longer need wise counsel.
- You will never reach your full potential without utilizing wisdom from others.
- Wise counsel may come from unlikely sources.

The way of fools seems right to them, but the **wise** listen to advice. (Proverbs 12:15)
