Mark Gungor Speaking (Laugh Your Way to a Better Marriage)

### GETTING TO KNOW YOU:

1. Describe your strangest date?

### RECAP:

On Sunday, we welcomed International Speaker, Mark Gungor of Laugh Your Way to a Better Marriage. Mark shared with us the *Be Attitudes of Marriage*. His fun, comedic approach and use of unforgettable illustrations helped teach us principles that will strengthen and enhance our relationships and communication.

2. How come good, strong relationships also require good, strong conditions?

### DIGGING DEEPER:

Verse: John 12:24-26

Our feelings are one of the most dishonest parts of us. To have good and successful relationships, we have to get past the way we feel. Sometimes our feelings just need to follow our commitments.

3. Why is it not good to always share everything you're thinking and feeling?
4. Have you ever experienced a time in any relationship where you had to allow your commitments to lead and your feelings to follow? What happened?

### TAKING IT HOME:

If you are going to succeed with people, these are some attitudes you should "Be"... *Be Nice. Be Content. Be Connected. Be Honest. Be Prepared. Be Pro-Active. Be Clear. Be Doers. Be Patient.*

5. Which of these *Be-Attitudes*, that Mark shared with us on Sunday, speaks to you the most right now in your life, your marriage, or your relationships? Explain.
6. Read John 12:24-26. The last *Be Attitude* Mark Gungor mentioned on Sunday was *Be Dead*. In your relationships, where do you feel the Holy Spirit asking you to let go and let God? Explain.
