#### **Pastor Dale Oquist Speaking**

##### **Recap:**

Dale continued our "I love a good story" series today with the great and epic story of David and Goliath.

This story is not so much about human courage and effort. It is more about the awesome power of a life built on bold faith in God. Based upon that, Goliath really had no chance, right? So, is this really an underdog story? Or, who is ultimately the underdog? David had a deep faith and deep confidence in God. He had sheep to take care of and God helped him do that, so God would help him take care of Israel!

The giant we face is that which intimidates us to the point of keeping us from taking God at His word!

##### **Verses:**

1 Samuel 17
