Wired: A Life of Worship

1. All of Us have gifts and abilities. When asked to share yours, how are they applied through service?

LOOKING BACK:

On Sunday, Dale continued our series called: Wired. We are being challenged to learn how to worship and how to utilize our unique abilities to worship with more clarity.

Moses and Aaron were called to lead and take their people to the place in which God was calling them. God was calling them to worship.

Opposition was not just challenging them but exhausting and keeping them from having the freedom to move forward. Many times they faced suffering and pain through the slavery that they were forced into.

Moses was called to challenge the rulings of Pharaoh, and because of his gifts, abilities and willingness he was equipped to lead.

Moses and Aaron were used because they were willing. They allowed God to show them what unique abilities they had and were willing to put them in action. Action of service to God's Children.

- The reason Israel was rescued from slavery was to worship God.

DIGGING DEEPER:

Verse: Exodus 7:16

Then say to him, 'The Lord, the God of the Hebrews, has sent me to say to you: Let my people go, so that they may worship me in the wilderness. But until now you have not listened.'

2. What do you worship and how does _____ affect your life?

- What steps have you taken to learn your gifts and abilities?

On Sunday Dale challenged us to worship through our service, God does not need us to worship him, but loves Us enough to worship Him.

3. Think about the discussion of question 2: How are you spending your time and energy?

- Are you moving forward and are you going in the right direction?

TAKING IT HOME:

We are called to GO, called to SERVE, called to WORSHIP. Ex 12:31

4. We are redeemed to worship: All has been cleaned and slavery is no more for Us who accept Jesus. We are called to stand and challenge the opposition in our life. Allow the grace of the Lord to flow through you giving you the strength to be who God called you to be.
