Matthew 1:18-24 NIV
Luke 1:1-56 NIV

Joseph choose grace over judgement!

A few observations about Joseph:

1. Joseph exhibited character.
2. Joseph trusted God and the Holy Spirit.
3. Joseph took courage to believe.

Jeremiah 33:3 NIV

Call to me and I will answer you and tell you great and
unsearchable things you do not know!

After Joseph had an encounter with the Holy Spirit his imagination
changed!

When the Holy Spirit reveals Himself to us, we confess different things and we
believe different things!

Joseph moved from a carpenter to an influencer.

I believe God expands our vision and our imagination to make us
evaluate our availability.

The greatest confirmation that one needs is not the tangible
results of one's labor, but the inner assurance he or she in the
nucleus of God's will.
