James 5:14–15 – The prayer of faith will save the sick, and the Lord will raise him up.

## **BIG IDEA**

The same resurrection power that raised Jesus is present today.

They came to hear—and to be healed. Today: Hear and be healed.

### **1. They Came to Hear — And Be Healed**

Luke 5:15; Luke 6:17–19 – Hearing preceded healing. Power went out and healed them all.

### **2. Hearing Releases Faith**

Romans 10:17 – Faith comes by hearing.

You already have the measure of faith (Romans 12:3).

You live by the faith of the Son of God (Galatians 2:20).

### **3. The Word Still Carries Resurrection Power**

Hebrews 13:8 – Jesus Christ is the same.

Psalms 107:20 – He sent His word and healed them.

### **4. Resurrection Life in Mortal Bodies**

Romans 8:11 – Life to your mortal body.

2 Corinthians 4:10–11 – The life of Jesus manifested in our body.

Proverbs 4:20–22 – His Word is life and medicine to all our flesh.

### **5. You Don't Need More Faith — You Need to Hear**

Mark 5:27 – When she heard about Jesus, she acted.

### **6. The Prayer of Faith Will Save the Sick**

James 5:14–15 – Elders pray. Oil is applied. Faith is released. The Lord raises up.
