

# Week 1 – Resurrection: A Foundational Doctrine

## Core Scripture – Hebrews 6:1–2 (NKJV)

Resurrection from the dead is a foundational doctrine of Christ, not an optional belief.

### Resurrection Is Part of the Foundation

The early church preached resurrection, not merely forgiveness.

Acts 23:6; Acts 24:14–15

### Resurrection Was Central to Jesus' Teaching

Jesus affirmed resurrection as a revelation of God's power and nature.

Luke 20:27–38; Matthew 22:29

### Without Resurrection, Faith Loses Power

If there is no resurrection, faith becomes empty and hope is limited to this life.

1 Corinthians 15:13–19

### Reflection

Am I living with eternity in view?

Does resurrection shape how I endure hardship?
