

## What are You Saying?

Your faith does two things:

1. It pinpoints your location
2. It sets the boundaries of your life.

- A. Remember confession is made unto..... unto What? You determine that by what you believe and what you confess.
- B. If your confessing is wrong, it is because your believing is wrong.
- C. If your believing is wrong, it is because your thinking is wrong.
- D. If your thinking is wrong, it is because our minds have not yet been renewed by the Word of God.

How do we loose and activate faith? Go to the Word of God and determine that it is the final authority in your life and your belief and confession align with it and not the world.

Two Foundational Scriptures:

**Romans 10:10 (NKJ) 10 For with the heart one believes unto righteousness, and with the mouth confession is made unto salvation.**

**Mark 11:23 (NKJ) For assuredly, I say to you, whoever says to this mountain, 'Be removed and be cast into the sea,' and does not doubt in his heart, but believes that those things he says will be done, he will have whatever he says.**
