Don't be surprised that the world hates you!

John 15:18-19

You're in good company

Who is my brother?

Matthew 12:48-50

Your brother is your fellow believer

Your neighbor is EVERYONE ELSE

How do I lay my life down for my brothers?

The ultimate example of this was not

TOLD but SHOWN

How have I passed out of death into life?

We know we are saved because we

**habitually practice love for our fellow
believers.**

Is hate really murder?

Matthew 5:21-24

What is love?

Love is helping your brother in need.

Through actions, not words

**Our practice proclaims who and what we
are**
