Discussion Questions

1. What have you been thinking about lately? Why?

2. What sources of information influence your thinking the most? In what ways do they influence you?

3. Read Mt. 9:4 and Psalms 139:1,2. What do these verses teach about what God knows about you? How does this make you feel? What should be your response to knowing this about God?

4. If you are filled with the Spirit, what thoughts should be in your mind? (Hint: Read Gal. 5:22,23; Phil. 2:3-5.)

5. Why do you think so many Christians are more concerned about what they look like on the outside (what others see) than what they look like on the inside (what God sees)? What is the remedy to this? Read, and then pray, the words of Psalm 139: 23,24 if they reflect your heart.

6. The Spirit-filled (directed and empowered) life is absolutely essential to the real Christian. Review the acronym D.A.Y. and then pray to be filled with the Holy Spirit.
