Discussion Questions

1. Close your eyes and picture God in your mind. What do you see? Why do you think you picture God this way?
2. What is a question that you would like to ask God?
3. There are a lot of things about God that are hard to comprehend, like the Trinity, or the hypostatic union (that Jesus is both 100% God and 100% Man), or that God loves you unconditionally just the way you are (though He doesn’t want you to STAY that way 😊). What is something about God that you find particularly hard to understand and why? What difference do you think it would make in your life if you DID understand it?
4. Choose one of the points from the sermon and describe its specific relevance to your life at this moment.
5. Read Isaiah 53:1–12. Although this was written some 700 years before Jesus ever lived and died, it accurately describes His life and death as the perfect Man. See how many of the details of Jesus’s life you find in this incredible prophecy. What does this indicate about the reliability of the Scriptures? What does this indicate about God’s love for you?
6. What is something you learned from this sermon that would be good for you to share with someone who didn’t hear the sermon?
