## Discussion Questions

1. How would you react to seeing a flying snake?

3. Read Numbers 21:1-9. Describe Israel's success and then her subsequent failure. Why did God punish the Israelites and why did He punish them with fiery serpents?

4. Now read John 3:14,15. How does Jesus liken His death on the cross to the event you just read about in Numbers 21?

6. How can this study about dinosaurs deepen your relationship with God?
