## Discussion Questions

1. What is something that has caused you to "gasps" in astonishment or to be speechless?
2. Where would you like to see justice served?
3. Look up Romans 12:19 and Hebrews 10:29-31. How do you feel about God taking vengeance? Why?
4. God's final judgments are extremely destructive, painful, and deadly. What is your reaction to this? Why?
5. Read Rev. 7:14. These are those who have died for Jesus. Now read Rev. 16:10. These are those who have lived for the devil. Which is better? Obvious, right? So why is it often hard for us to live for Jesus even though we know it is ultimately better?
6. You would think that studying about God's judgments upon unbelievers would motivate believers to actively and fervently share their faith. Why doesn't it seem to do that?
7. What practical applications to your own life can you glean from this section on God's judgments?
