## Discussion Questions

1. If you have ever “seen” a solar eclipse, describe your experience. What frustrations did you feel while trying to actually see it? Would you want to “see” another one? Why or why not?
2. How is God’s attribute of holiness different from His other attributes of love, mercy, grace, and justice?
3. Read over your sermon outline and share how each of the three truths can, and should, affect the way you are living now.
4. Read Lev. 10:1–3. What are your thoughts on what happened here and why? What does this sobering event teach about God’s holiness? About your attitude toward God’s holiness? About your conduct?
5. Read 1 Pet. 1:14–16. What do you think God means when He says that you are “to be holy”? How are you to accomplish this?
6. What do you think (or hope) will be one of the biggest changes that you will sense has occurred in you when you are made completely and permanently holy?
7. One of the incredible blessings of Heaven is that you will not only be free from the unholiness of others, you will also be completely free of your own unholiness. How do you see this affecting your relationships with others? With God Himself? Your feelings about yourself?
