

## “You and Your Money (Part 2)”

Deuteronomy 8:15-18

### Review:

1. Your \_\_\_\_\_ and your \_\_\_\_\_ are \_\_\_\_\_ . (Mt. 6:21)
2. Your use of \_\_\_\_\_ is an outward indicator of your inner \_\_\_\_\_. (1 Tim. 6:10; Mt. 6:24)

### Today’s Principles:

1. \_\_\_\_\_ is more important than \_\_\_\_\_. (Mk. 12:41-44)
2. Recognize that you are a \_\_\_\_\_, not an \_\_\_\_\_, of your wealth. (Lk. 12:20; Dt. 8:17,18)

## Discussion Questions

1. What would you rather have: lots of money or just enough money to get by? Why?
2. Imagine for a moment you are instructing your children about the proper attitude toward money. What would you tell them? Would what you TELL them be the same as the attitude you HAVE toward money? Why or why not?
3. Review the two new principles about money given in this sermon. Make comments that keep your listeners spell-bound.
4. Read Mark 12:38-44. Who are the “main players” in this section of Scripture? What are the attitudes of the main players? Which attitude does Jesus condemn and which attitude does He commend?
5. Read 1 Tim. 6:6-10. Describe both the right and the wrong attitudes about money given in this passage. Which is easier to have? Why?
6. Read the following Proverbs about money and comment on what they teach us: Prov. 3:27; 10:2,22; 11:25; 13:11; 22:9; 24:33,34.
7. What specifically is God speaking to you about in regards to money?
