

“The Truth About ... Dinosaurs” (Part 1)

Genesis 1:24,25

Discussion Questions

1. Which do you find easier to believe, scientific theories or eyewitness testimonies about the existence of dinosaurs? Why?
2. If, as the Bible indicates, God created dinosaurs when He created mankind (Genesis 1:24-27), why do you think it is so hard for so many (maybe even most) Christians to accept this?
3. What do you think happened to the dinosaurs? Why do you think this?
4. Do you think dinosaurs were on the Ark with Noah? Why or why not?
5. Read Job 40:15-24 and 41:1-34. If God isn't describing dinosaurs and dragons, what else could He possibly be describing? If He IS describing dinosaurs and dragons, what implication does that have for us today?
6. How can this study about dinosaurs affect your relationship and walk with God?
