#### APPLICATION

##### (BASED ON RESPONSES TO Q. 1)

- [2] Solitude: What can you do to add more solitude to your life? In your solitude are you ever really alone? Why not?
- [3] Multitude: God never meant for us to “play alone”. What are you doing to connect with people? Is it hard for you to open up to others? What might help you become more open and trusting?
- [4] Magnitude: This attitude is believing and acting on the truth that God is bigger than our problems and really wants to be there for us. What life experience has kept you from truly believing this? Is there another way of interpreting God’s role in this event? If you have experienced God’s intervention in some event in your life, please share it as an encouragement to your LifeGroup.
