

Every Day Disciple Part 5

Witness

For the week of 10/30/2022

- [1] What insight, principle or observation from this weekend's message did you find to be most helpful, eye opening or troubling? Please explain.
- [2] What does it mean to be an "Everyday" witness for Jesus?
- [3] Why is relationship and genuine care for people important to effective witness?
- [4] Please explain this statement, "Being an Everyday Disciple who witnesses is really just an overflow of Jesus's story in our lives to those who God has put into our lives". How can you apply this concept to someone God has placed in your life?
- [5] Read 2 Peter 3:9, what does this verse say about God's heart to reach people for Jesus? How do you feel about God waiting for you to place your faith in Jesus before it was too late?
- [6] How does prayer widen our circle through divine appointments, relationships and opportunities? How does being prayed up help us to power up to meet the needs of those God has placed in our lives?
- [7] What does 1 Peter 3:15-16 teach us about our attitudes and behavior when it comes to witnessing? What kinds of preparations do we need to make to become effective witnesses?
- [8] Read Acts 1:7-9, John 20:21 & Matthew 10:16. Why do so many Christians avoid sharing their faith when it is a direct command to do so? What has God given us to help us become successful in sharing our faith and provide wisdom in difficult situations? Who is God calling you to reach out to share your faith in Jesus?
