

Graceology Pt. 2
The Seed of Grace

LifeGroup Discussion Guide
for the week of 7/8/2018

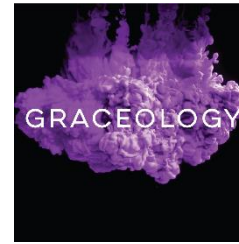

CONNECTION

[1] What was a big win you've celebrated? When did you know you'd win?

OBSERVATION & INTERPRETATION

[2] Abraham and Sarah had everything going against them when God spoke to them about having a child, but he continued to repeat his promise. In Genesis 13:14-18 God spoke to Abraham & he built an altar. In Genesis 15:1-6 God spoke again and Abraham believed God. What do you think made these responses different?

[3] What are times we may remember what God said (build an altar) versus receiving what God has said (believing it)? How can we apply this idea when we read God's word? (heres a hint: don't keep it on the self)

APPLICATION

[4] Pastor Cam shared about Abraham's situation creating an expectation for God to fulfill his promise based on Abraham's limits, how might our expectations changed if we didn't allow our situation to determine our expectations? What might we believe God for?

[5] Pastor Cam shared that because of Christ, we're a child of the promise, a child of God and made righteous through faith. This promise guarantees our success in life, how does this change how you might approach relationships, business and everyday life?

[6] Christ is the Seed of Grace and through him, we are the seed of Abraham (heirs to the promise of inheritance, protection and right standing with God), how does believing this give you success?

REFLECTION

[7] Since you are the seed, there is responsibility to share grace with others. How can you share the grace and truth of Christ today? Who can you share that with this week? How will a constant focus on sharing God's grace transform your life, your relationships, your community, even your world?
