CONNECTION

- [1] What is one of the first communities (living in, sports teams, club, etc) you remember being a part of? What memory sticks out the most to you about this community?

- [2] On a scale of 1-10, how involved are you in the community in which you live? Why did you give yourself the rating you did?

OBSERVATION & INTERPRETATION

- [3] As we read scripture, we see that community is central to God's plan; community with the Father and to one another.

APPLICATION

- [5] Have you ever felt like a “foot” in the body of Christ in comparison to other more “important” or “glamorous” members of the body? Why do you think we compare ourselves to others, even through scripture says that each different gift makes up the body of Christ?
- [6] What gifts do you believe God has given you? How can you use those for the body of Christ?

REFLECTION

- [7] What can we do in and through our life group to:
- #1 Create greater community with each other?
 - #2 Have an impact on our community through our life group?
Specifically, what community would we target and how could we serve that community?
