

Test the Waters

LifeGroup Discussion Guide

for the week of 6/25/2017

CONNECTION

- [1] If you can, share about a time when you wanted to fast-forward through a season of difficulty in your life. As Pastor Dustin put it, “many times we’re looking to ride the Splash Blaster while God has us on the lazy river.” What did you learn or experience with God while you found yourself in this season of wanting to fast-forward?

OBSERVATION & INTERPRETATION

- [2] Hebrews 4:14-16 is our core passage for these two weeks, read it aloud as a group. Revisit verse 16, what is the difference between God’s mercy and God’s grace?

- [3] Has there ever been a time in your life that you felt as if God’s mercy and grace was not available or within grasp? How does verse 15 speak to this issue?

APPLICATION

[4] Pastor Dustin shared about Noah and the ark. It was through relationship that the Lord shut in Noah and his family into this vessel of mercy and grace. In the midst of your challenges, how can you “test the waters” and allow God’s grace and relationship with him to lead you in the situation?

[5] Noah and his family were in the ark for a total of 370 days. I’m sure they had second thoughts, doubts, or even wanted to “jump ship.” Which of the following from this week’s message is the Lord working in you in the midst of your circumstances?

- Am I in Christ? Do I have a relationship with God personally?
- Am I trying to bring my own plans, ability, or strength into the ark or into the throne room of Grace with me?
Am I carrying things I was never meant to carry?
- Am I thinking about “jumping ship?” What does this mean for you?

REFLECTION

[7] God’s grace sets us up for an abundant life, a thriving relationship with Him, and undeserved favor. What are you believing God can and will do in your life? Pray as a group around each of these areas and that in the waiting, we would grow and mature in our faith as God brings us into greater intimacy with Him.
