### APPLICATION

- [4] What is humility and how does it relate to God's grace? How does humility empower God's grace in our life circumstances?
- [5] What difference would it make to our life circumstances if we approached them in the name of the Lord instead of with our equivalent of a sword and spear (1 Samuel 17:45)?

- [6] When we receive and embrace what Jesus did on the cross we believe that God's blessings are based on His character rather than our performance. How does the truth that God's blessings flow from Christ within us encourage us in our life circumstances?

### REFLECTION

- [7] How would you respond to the statement "God wants to bring you to a place where you cannot fix yourself or your life because His desire is for you to rely on Him" based on what you have learned from this weekend's message?

Did you know God puts you in places where you are expected to fail? It is just one of the many ways He proves His Love. Your disappointment and discouragement are the Lord's opportunities to show His power and love to you. —Rick Thomas
