[5] What did Pastor Rich mean when he said, “It’s sometimes easier to leave a place geographically than it is to leave psychologically”?

[6] The Israelites left Egypt for the Promised Land with great hope and enthusiasm that drained out of them through unbelief as they faced challenges in the fulfillment of God’s promises. Why did God see this as evil? What are the consequence of unbelief?

[7] How does the understanding that we are sons and daughters of God with a full inheritance from Him encourage you to believe and embrace God’s promises for your life?

[8] Do you tend to focus more on the size of the problem and see yourself as already conquered or on God who will energize your faith as he helps you conquer your problems? What have you learned from this week’s message that will help you believe God?

TAKING IT HOME

Pastor Rich taught that the bottom line when it comes to identity is that it is not just “who I am” it’s whose I am”. When we know we are fully known, loved, accepted, and cared for by God it is life transforming. Do you believe this? In your prayer and fasting (21 days) this week pray that God will deepen this understanding in your heart.
