You Have a Choice

LifeGroup Discussion Guide
for the week of 5/6/2017

CONNECTION

- [1] If you can, share about a time when you found it hard to do God's will, but chose to follow His will anyway. What was the outcome? What did you learn about following God's "path" even though it seemed difficult at the time?

OBSERVATION & INTERPRETATION

- [2] In our culture we are often taught that we can "do or be anything we want to be if we just try hard enough". How does this cultural belief line up with or is incongruent with the biblical principle that God has a specific plan (will) for each individual's life?
- [3] What do John 10:10, Romans 8:29, Titus 2:11-13, and Ephesians 2:10 teach us about God's will for all of our lives?

- #1 Forgiving means that nothing ever happened or that it was "no big deal".
 - #2 Forgiving means automatic, instant, unlimited reconciliation.
 - #3 Forgiving means never having any painful memories or emotions related to the hurts or the hurters.
- [6] The Apostle Paul chose focusing on positives and the teaching of Scripture (Review Philippians 4:8-9) as a way of obtaining the presence and peace of God in difficult circumstances. What specifically can you focus on to bring the peace of God into your life situation (s)?

REFLECTION

- [7] Choosing to bless others is core to kingdom living and helps us to get out of and over ourselves—blessing others reflects God's grace giving nature. Who can you choose to bless this week and how are you going to bless them?
