Crossroads LifeGroup Discussion Guide

for the week of 3/23/2019

CONNECTION

[1] Do you agree or disagree with this statement “ Being loved and knowing it is a requirement for producing the fruit of love”. Please share your thoughts...

OBSERVATION & INTERPRETATION

[2] Why is it so important for us to believe God loves us?

[3] What does our culture teach us we must do or be to be lovable? How is this different from what we have learned in this week’s message on the fruit of love?

APPLICATION

[4] What are some life experiences that a person might have that would lead them to believe that God did not love them? How can we respond in a loving way to those who have had negative life experiences?

[5] There seems to be a relationship between feeling acceptance (Ephesians 1:6) and feeling loved—how does this play out in our relationship with God? What can happen in our relationship with God if we have more of a performance orientation towards life?

[6] How does our connection to God lead to a more fruitful life and a deeper revelation of Jesus? What can we do to deepen this connection?

REFLECTION

[7] Pastor Rich challenged us to activate love by forgiving—even while the wound is still fresh. Is there are person in your life that you need to forgive? What first step are you willing to take to forgive?
