LifeGroup Discussion Guide
for the week of 12/8/2019

CONNECTION

- [1] On a scale from 1 to 10, how chaotic is your life right now? Why?
(1 watching the waves roll in on a tropical island; 10 I am only visiting this planet!)

OBSERVATION & INTERPRETATION

- [2] According to Romans 8:18-25 (NIV). What is the current condition of God's creation?
- [3] Read Revelation 22:5 (NIV). Along with what you read in Romans 8:18-25 what will be the outcome of our story?
How does this bring hope to your current Chaos?

APPLICATION

- [4] How is your chaotic situation impacting your mind, relationships, and how you think about the future?
What area is effecting you the most? Why?
- [5] What would you like to ask God in faith about your situation?
- [6] How can "establishing yourself in the word" help?

REFLECTION

- [7] Pastor Rich spoke of finding someone that will agree in the Spirit with you. What did he mean by that and who could that be for you? When will you confide in this person?
