

Untapped Potential Part 2

Plugged into Mission

For the week of 9/11/2022

[1] What insight, principle or observation from this weekend's message did you find to be most helpful, eye opening or troubling? Please explain.

[2] Why is it important for our mission to have an intimate relationship with God?

[3] How are you responding to the knowledge that God knew who you were going to be before you were born and that he set you apart for a specific mission in this life?

[4] Are you aware of God's mission for your life? Who has he called you to influence?

[5] What kinds of roadblocks or discouragement have you faced in carrying out your mission? Have you overcome and in what areas are you still feeling stuck?

[6] What makes it so easy in our culture to "do it our own way" and step out from under God's power and way of doing things?

[7] How can a lack of patience lead to missing God's will and/or plans for a particular situation he has called you to be a part of?

[8] As Pastor Rich explained in the message, have you ever "done something stupid" that got you off track with God's mission for your life? How did he get you back on track?

[9] How does God turn our weakness into strength? Can you give an example where he turned a tragedy into a testimony? Please share your thoughts...
