### **APPLICATION**

[4] How does believing in the “confident expectation of good” change our perspective when facing challenges in life or in reaching our goals?

[5] When facing barriers, what happens to our spiritual maturity when we overcome them in God’s strength? If you have a story of overcoming a barrier or setback with God’s help, please share it with your LifeGroup.

[6] God told Joshua that he was giving him victory over Jericho (Joshua 6:2) yet, as Pastor Rich pointed out, like Joshua, we needed to be proactive in taking by ownership (you), writing out a plan, and working the plan (move). When we face challenges what does the interaction between God and Joshua teach us about “our part” and “God’s part” in obtaining victory?

### **WORKING IT THROUGH**

[7] What is standing between you and your goals? Do you need to get a picture or plan from God? Move out in what you already know you need to do? What is holding you back?

An awareness of our words (self talk) can create an awareness of our beliefs about ourselves and God which impact how we approach challenges. What words do you use when facing challenges or setbacks? You might try keeping a log of what you say and think for one week; what did you discover? It may be helpful to ask someone who will be honest with you about what they hear you say about yourself and God’s willingness to be there for you; what do other people hear you say?
