

CONNECTION

[1] What does it mean to you to be a citizen in the household of God?

OBSERVATION & INTERPRETATION

[2] In Ephesians 2:11-12, what is our state without Christ?

[3] Based on several answers that could be given in #2, how do those change then because of what takes place “in Christ” (Ephesians 2:13)?

APPLICATION

[4] Many people have a begging mentality towards God, now that we have access to God (Ephesians 2:18) and can come to Him with boldness (Hebrews 4:16), how should we approach Him? (Think of how a child comes to the dinner table without begging)

[5] Ephesians 2:22-23 tells us that we are being built together. It is very important to know that we are all collectively the body of Christ and equally important, where do you see your part in the growth of the church?

REFLECTION

[6] Knowing who we are “in Christ is important, the phrase “in Christ, through Him, and in Him” shows up several times in Ephesians 2:11-22. Which one stands out to you the most about who you are and what you have in Christ?
