

Homecoming Pt. 3
Called Together

LifeGroup Discussion Guide
for the week of 9/18/2021

- [1] In what ways are you “connected” to the church? Why is connection important?

- [2] Hebrews 10:24 points that we can have a tendency to drift away from Church. What do you think leads people to develop a habit of skipping church?

- [3] In your opinion (no right or wrong answer) can online church take the place of in-person church in the long run? Why or Why not?

- [4] Pastor Rich spoke of the benefits and spiritual dynamics of attending church in person—what do you experience when you are with a large group of Christians?

- [5] We can experience more of God’s presence at church through focusing on Jesus and having a heart of gladness, an attitude of thanksgiving, and a willingness to respond to what God is speaking to us. Which one of these areas do you need to cultivate the most to experience God more fully during a worship service?

- [6] It is not uncommon for the church (see Acts 2:1-4) individually and as a body to experience the power of God when meeting together. What role does desperation and anticipation play in “bring down” the power of God upon His people?

- [7] How can we experience the plan of God during a worship service? What is the best way to follow-up when we have heard “His voice for our lives”?

- [8] What is God speaking to you through our Home Coming message series? How are you making it a part of yourself?
