- [3] How will we know if Jesus wants something "dead" resurrected in our life or left dead for our own protection?

- [4] How does the presence of Jesus "change everything" in the situations we face in life?

- [5] Why doesn't a delay in God's resolution of a situation mean that he hasn't forgotten us or doesn't care?

- [6] Why is it important to expect Jesus to speak life into our situations?

- [7] In what ways can we be the hand of Jesus in "touching" someone's difficult situation?

- [8] It has been said that God never wastes a hurt. Please share about a time when your story of resurrection has been used by God to help someone else...what was the effect on others when they saw how God helped you?
