APPLICATION

Pastor talked about the “now” stage where the primary focus is on supporting your family (1 Timothy 5:8).

- [4] Which of the five financial habits for success do you need to work on the most right now: Debt reduction, budgeting, saving, living within your means, or generosity? What steps can you take to get started?

The “then” stage focuses on developing a vision for you future—if you don’t know where you are going you will never get there!

- [5] Three action steps to help us with the “then” stage are 1) Create a plan, 2) Think about what can be done, and 3) Stay true to your vision. What action step do you need to take right now to secure your future?

The last two stages are the “us” and “them” stages: Leaving a legacy (Proverbs 13:22 NKJV) and being generous to others (2 Corinthians 9:7).

- [6] What kind of legacies have been left to you and how have they impacted your life? What kind of legacy would you like to leave for your family?

- [7] How does biblical wealth in God’s economy allow God to use you to fulfill His plans with His resources?

REFLECTION

How do you handle money? If your money was “magnified” what would be happening in your heart and behavior? In what other ways can you be rich that may be even more important than material wealth?
