INTERVIEW WITH PASTOR FRANCISCO

[4] What role does faith play in expecting (see 2 Corinthians 9:6) God to produce a harvest with the seed we plant?

[5] What makes it hard to ask God to produce a specific crop with our seed (see Galatians 6:7)?

[6] God was pleased with Able and his offering (Genesis 4:4). What is the connection or relationship between offering our first (best) fruits and our worship of God?

[7] If you had the opportunity, what question would you have asked Pastor Francisco about the seed? Share your question with your LifeGroup and see if your group can come up with a Biblical answer based on what you have learned so far about the seed.

God won't ask anything of you that He hasn't already given you—Pastor Francisco
