

CONNECTION

[1] Are you an introvert or extrovert? Based on your personality, how is the shelter in place order affecting you?

OBSERVATION & INTERPRETATION

Read John 14:27 (NIV) & Isaiah 26:3 (NIV)

[2] In what ways or things does the “world” seek to find peace?

[3] What is the difference between the peace that Jesus offers and that of the world?

[4] Peace is a gift from Jesus, yet according to John 14:27 what are some things that can block our peace? Pastor Rich said you are in charge of your heart, how can knowing that help unblock our peace?

APPLICATION

[5] What does it mean to “go into peace” as Jesus told the women with health problems (Luke 8:43-48)? How does Jesus’s encouragement keep us moving forward into our new life of peace and deliverance?

[6] How can grace and peace be multiplied in our lives (2 Peter 1:2)? What steps do you need to take to multiply grace and peace for yourself? What about your family?

[7] What is the importance of unity in keeping our peace (See Philippians 2:14-16)? How does our unity influence those who do not know Jesus? Is unity a decision we make and something we choose (See 1 Corinthians 1:10 and Ephesians 4:1-6)? Please explain.
