[1] What is your God given dream? How is it being impacted by Covid-19?

OBSERVATION & INTERPRETATION

Read Genesis 37-50...

[2] In light of this weekend's message from Pastor Rich, what in Joseph's story stands out most to you?

[3] On the surface it looks like a lot of "bad things" and "injustices" were happening to Joseph yet God was at the center of it all working his plan. If someone asked you today, "Where is God in all this Corona virus mess?" how would you respond to them?

APPLICATION

[4] What do you need to do to upgrade your leadership to fulfill your dreams?

[5] What stage is your dream in: Birth, Death, or Supernatural Rebirth? Do you need to find a dream? Please Explain.

[6] How are you responding to the stage your dream is in? Is your integrity or character being tested? Please explain.

[7] Joseph's dream was met with resistance from his family and many road blocks from others yet his integrity and the favor of God saw it through to completion saving many lives. How are your gifts and talents making a way for you? Does your dream need to be realigned because you are trying to do something that is "not really you"? What adjustments do you need to make if any?

REFLECTION

The bible tells us that without a vision God's people start to fall away (Proverbs 29:18, NKJV) and that hope deferred makes the heart sick (Proverbs 13:12). Do you have a God given vision for your life that defines your purpose and reason for being on earth beyond your family and what you do for a living? If not take time to reflect this week on your values, focus, and purpose. Ask God to start revealing His dream for your life and sensitize you to His guidance.
