Pt 1: Stuck on Repeat

---

**LifeGroup Discussion Guide**  
*for the week of 12/3/2016*

**CONNECTION**

- [1] Have you ever received counsel from the “Wonderful Counselor” Jesus? What happened? How did you receive this counsel?

**OBSERVATION & INTERPRETATION**

- [2] The Hebrew word for *wonderful* is “pela” which actually means wonder or miracle. So the “wonderful” in Wonderful Counselor doesn’t just mean delightful and pleasing but also miraculous. Jesus is a miracle-working counselor whose wisdom applied to our life is like nothing else—it’s supernaturally insightful; we can’t get it from any other source.
- [3] Read Isaiah 11:2, Colossians 2:3, Psalm 139:1-2, Hebrews 4:15-16, James 1:5, Proverbs 3:6 and Philippians 4:6. What do these Scriptures tell us about Jesus as our counselor and his wisdom?

## APPLICATION

- [4] How does knowing that Jesus understands without condemning, Romans 8:1, our deepest thoughts, feelings, hopes, and dreams help us to open the door to His wise counsel?
- [5] How does knowing that God is more concerned with our “heart” condition and inner pain than our external behavior help us to trust Jesus with the issues for which we need His counsel?
- [6] We can miss the counsel of Jesus when we don’t keep our regular appointments with Him through prayer and Scripture reading. Sometimes we don’t recognize His voice because of all the noise and pace of our lives drown Him out. What one step can you take right now to better hear the “counsel” of Jesus speaking to your spirit?

## REFLECTION

- [7] Do you really believe God is there for you and has your back or do you see Him as someone who is condemning, too busy, or unconcerned with your pains and challenges? Where do you think this belief came from?

If you have a story of God coming through for you in some situation you were facing in your life, please share it with your group how He “worked it for good” (Romans 8:28) as an encouragement to others.
