LifeGroup Discussion Guide
for the week of 9/29/2018

CONNECTION

[1] What does the statement, “Generosity Our Privilege” mean to you?

OBSERVATION & INTERPRETATION

[2] How has being generous towards others impacted your life? Has someone else's generosity towards you made a difference in some situation? Please explain?

[3] What has God done to model generosity? Have you observed someone who was a model of generosity? What attitudes and values did you see modeled in this person?

[4] How does giving tap into the spiritual dimension multiplying “us”, our thinking, and our results?

APPLICATION: A CHRIST CENTERED LIFE

[5] Jesus organized the church as a conduit for impacting the world with His grace—in what ways do you see yourself investing your time, talent, and treasure into building His church?

[6] Making a spiritual difference is not just about serving at church: It’s about making a difference in everyday life where Jesus plants you. Knowing this, what can you be doing to be the “hands and feet of Jesus” in your family, community activities, workplace, and school? Do they see Jesus in your attitudes and behaviors?

REFLECTION

Sanctifying our time, talents, and treasures means we do not have separate compartments that contain church, family, job, money, and leisure time—it all was given by God and belongs to God! How does acting on this truth require faith and trust? What would be different about your life if you acted on this truth everyday? What is God telling you to let go of and trust Him with?
