---

King David is addressing his son Solomon and various rulers and mighty men of Israel as they dedicate materials for the building of the temple. David had acquired many materials through his conquests for the temple. He asked for an offering from the assembly, and the people gave willingly from their heart and gave God glory. The temple was built to glorify God Almighty. They rejoiced to take part in this dedication to glorify God.

---

**9** The people rejoiced because of the great offering to the Lord. They gave with a whole heart. The king rejoiced greatly.

**10** David right away broke out in praise and blessed the Lord God. We should bless and praise God in this life. In each other's sight! We will give Him glory in Heaven along with the heavenly Host. Psalm 34:1-6. Let us magnify the Lord together. We were created to give Him glory.

**11** David magnified the Lord. God is great, God is power, God is glory, God has the victory, and God is majestic. All things are His dominion, and He is over all things. **Psalm 19:1-6, Revelation 4:8-11.**

**12** Riches and honor are from God. He rules over all things including us. His hand makes us great and strengthens us. We are great when we give Him glory from our hearts.

**13** Because of Your greatness, power, glory, victory, and majesty, we thank You and praise Your glorious Name. **John 17:1-5**

**1** Jesus glorified the Father, and the Father glorified the Son.

**2** God gave Jesus authority over all mankind to give eternal life. His hand makes great and strengthens us.

**3** Eternal life is knowing God and Jesus.

**4,5** His accomplished work glorified God. Glorify both of us. Jesus glorified God while He was on the earth and on the cross. **John 1:1-3, Colossians 1:16-17, Revelation 5:8-14.**
