A Man & Prayer
Steve Hyland

If you desire More God, then pray more! Prayer is not a spiritual gift, it is available to every Christian who believes by faith God will do what He says in response to His children's requests. War Room demonstrates that spiritual issues require spiritual solutions.

When God gets involved the supernatural happens!

7 Things Learned in Prayer!

1." Everyone who asks receives"- Matt. 7:7-8. John 16:23-24. If you ask more you will receive more from God. Pray about big things in your life, pray about little things, (i.e. lost keys, money, relationships). Look for the promises of God. If you.... Then I will..... Pray the Word of God. Know the Bible, it helps praying!

2. If you desire to be more like Jesus, pray more. Jesus is recorded in the NT 22 times praying. He didn't always get his petition granted, but sought that God's will would be done. Hindrances to answered prayer !)

- 1) Broken relationships
- 2) Unconfessed sin
- 3) Prayerlessness

3. Process of Prayer - Jerimiah 33:3 "Call to me and I will answer you and tell you great and mighty things you know not.

What are ways to hear from God?

- 1) God's word
- 2) Prayer
- 3) Other believers
- 4) Circumstances

4. When to prayer? "Pray continually" I Thes.5:17. All the promises of God work for all areas of our lives! Pray at Work (i.e. wisdom) use the secret weapon! Pray at Home- You are the spiritual head of your family- lead prayer at your home (i.e. prayer walk with my wife). Pray at Church- pray before saying yes or no to serving in a position. Pray for your Pastor. When you feel stress on any front prayer like Philippians 4:6-7 tells us. Instead of worrying pray.

5. Answers to prayer - 1) Yes-immediately or yes- wait (same answer, but timing is different) 2) No 3) Are you crazy? Really? You will thank me later that I didn't answer that prayer! If answer is, Yes... do it at once. If No... don't do it. If wait... wait, don't move until God tells you to Proceed and have peace to proceed.

6. Kind of prayers - Psalm 100:4 "I will enter his gates with thanksgiving and his courts with praise."

- a) Thanksgiving- have a thankful heart. Heavenly praying is Thanking and Praising God!
- b) Praise God- for who He is and for His work among men.
- c) Confessing sin- James 5:16 "confess your sins to one another."
- d) Petitions- your needs
- e) Intercession- Pray for others

7. Demonstrate Praying for one another -. Pray for others, pray with others. "How can I pray?"

- Pray right there for the person after they voice their request. This will launch your prayer life!
- Prayer for our country at your table. Read 2 Chronicles 7:14
