# **A MAN & COMPROMISE**

JODY PACK

“There are areas in each of our lives where the subtleties of compromise can prove to be harmful, or even catastrophic...”

“God’s Word is all we need!”

“Are we ‘astute’ or are we ‘passively succumbing’ to the influences of the world?”

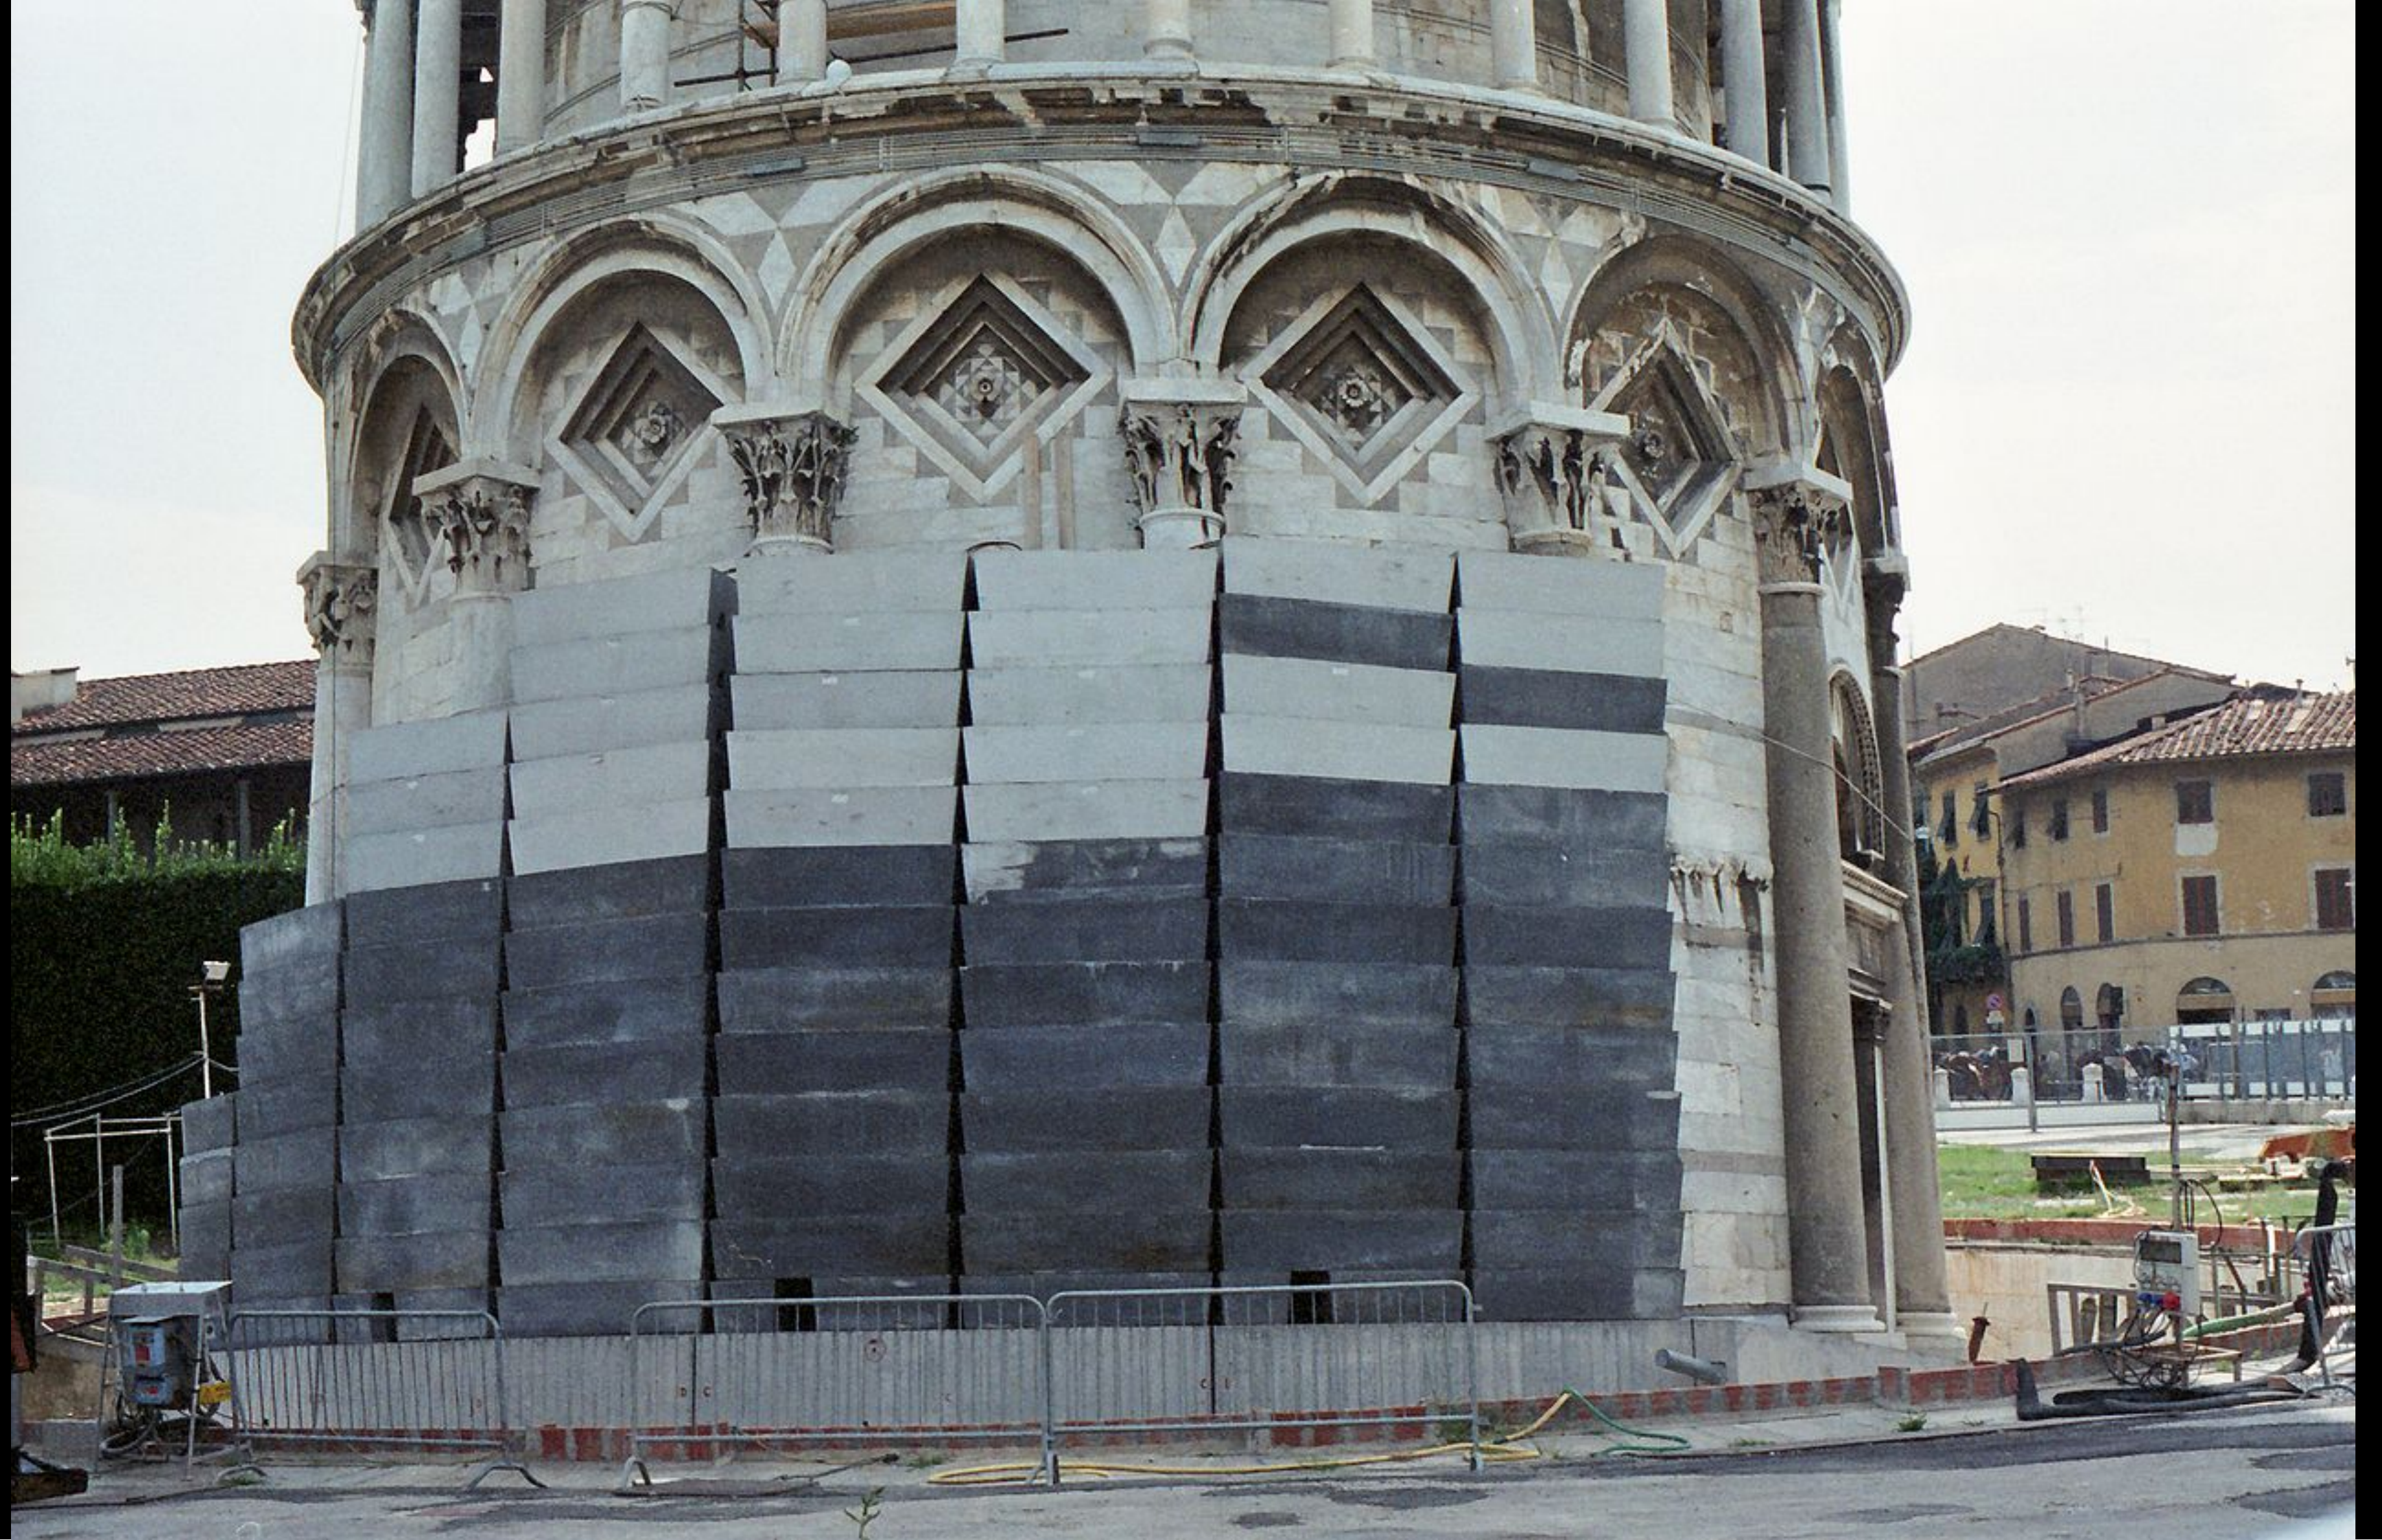

“Biblical authority is under attack!  
Will our legacy be one of standing  
firm on the truth of God’s Word, or  
conforming to the ways of the  
world?”

# Daniel 1

“Daniel was unwilling to yield to the outside influences and pressures that directly conflicted with his convictions.”

Two logical explanations for the tower's lean:

#1 – A poor foundation

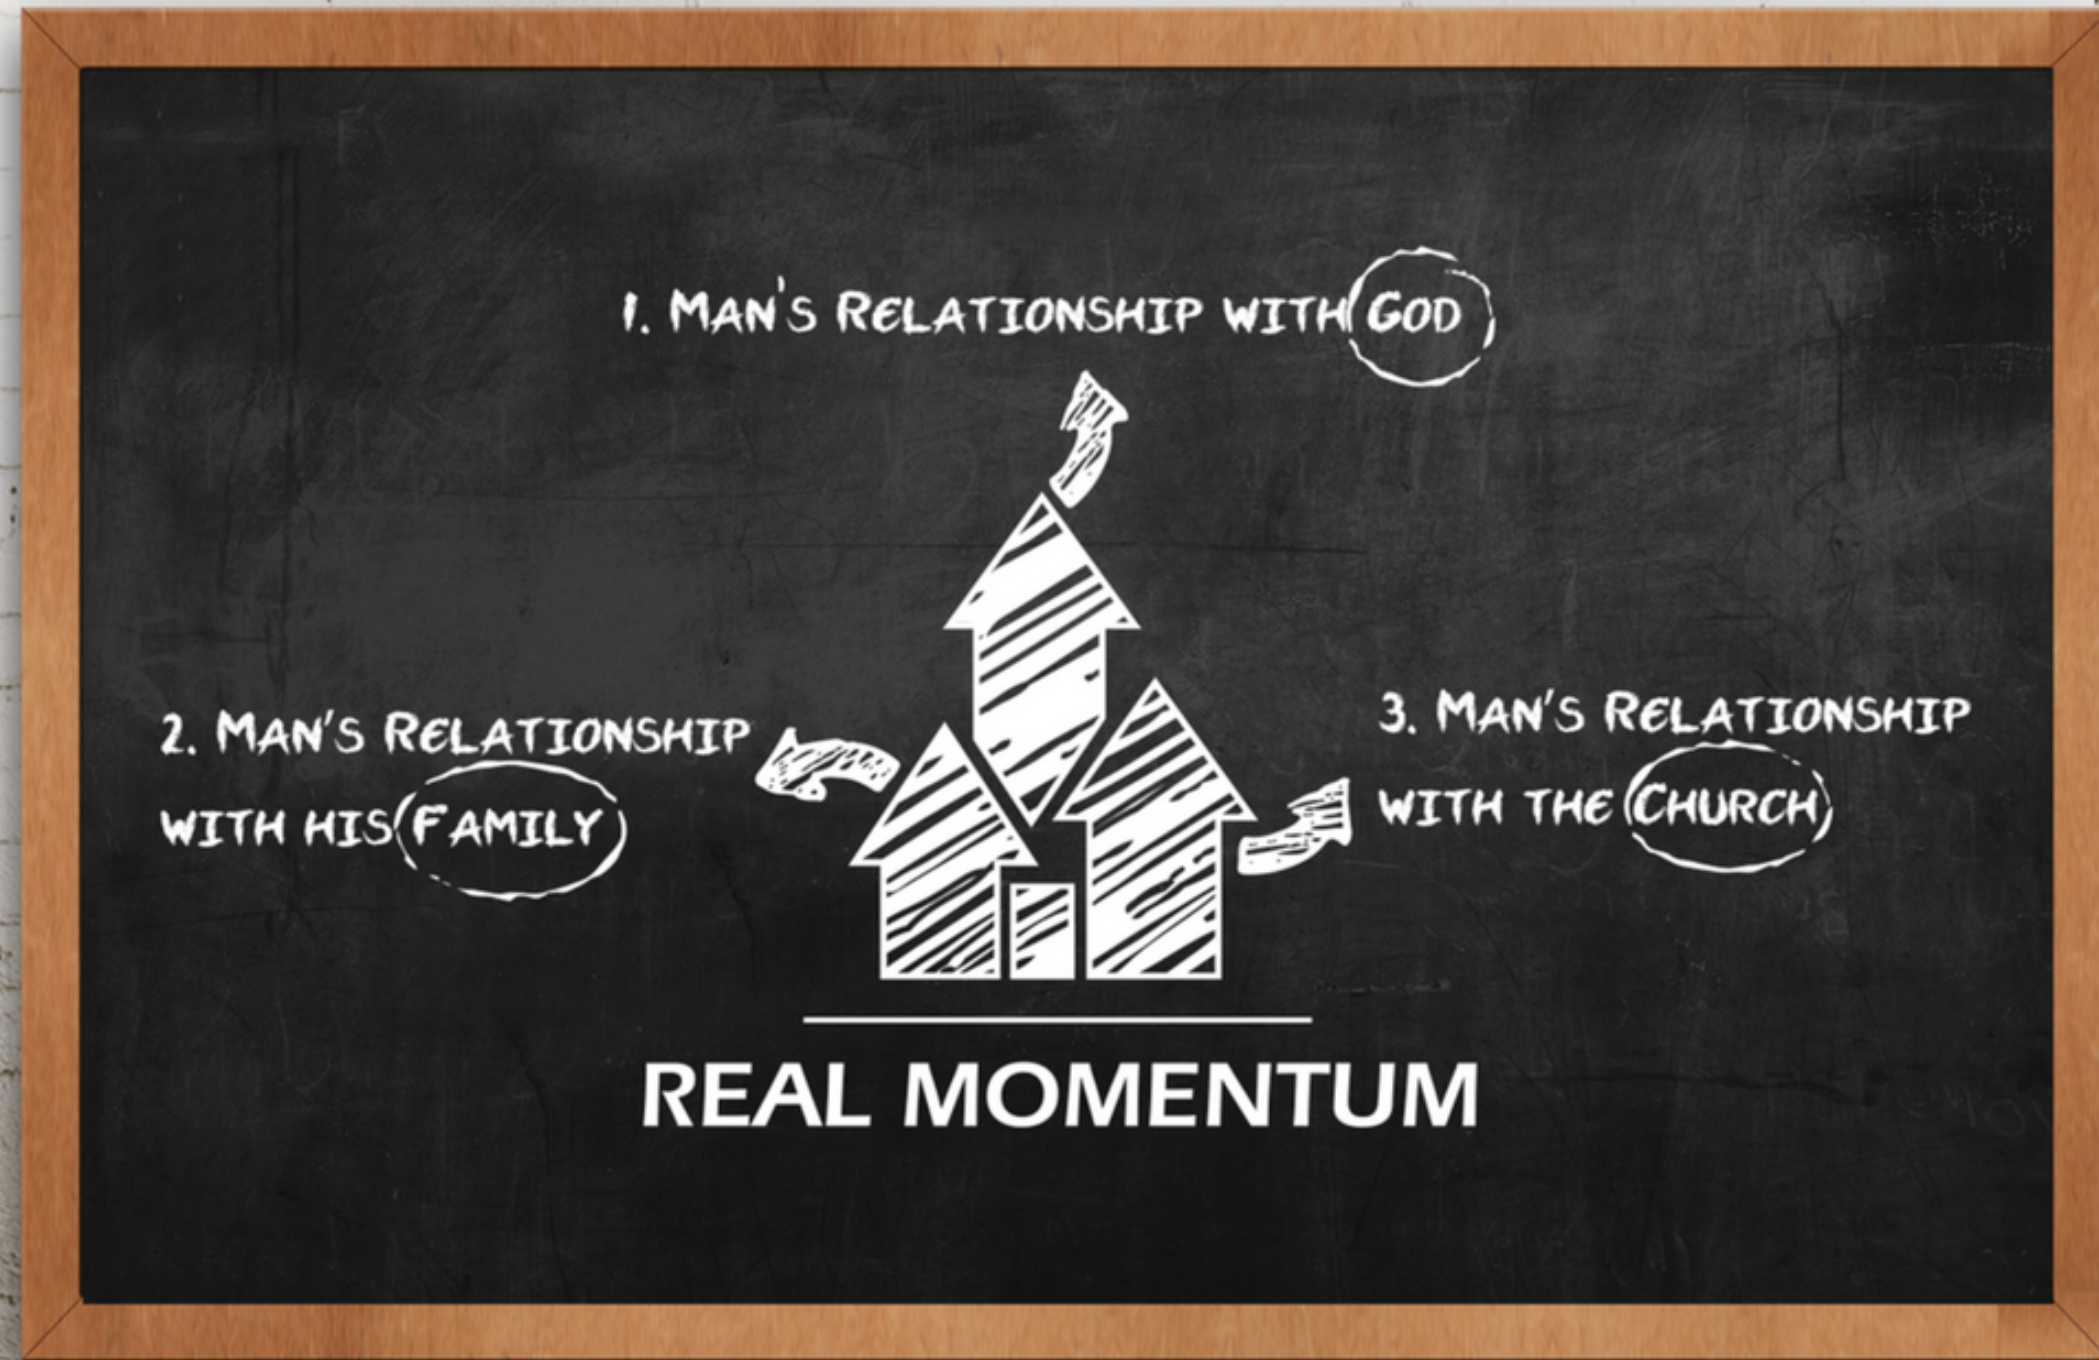

#2 – The force of gravity
